ABOUT SHANTA SONS

Shanta Sons Enterprises, established in **2009** in **Chh. Sambhajinagar**, is a proprietorship owned by **Mr. G.B. Shendge**. The company is a key player in the automotive industry, specializing in **precision machining solutions** and **cold forging components**.

In addition to its main facility, the company operates two more plants under the name **A. G. Auto Engineers**. One unit is located in Hisar, Haryana, and the other is in Muley I Square, Chh. Sambhajinagar.

CAPICITY

- CNC Range chuck Ø 135 mm to Ø 200 mm, Traub Range A25mm to 60 mm.

IN HOUSE FACILITY

- ITL Circular Saw- Ø 80 mm, CNC Turning, CNC SPM, Center less Grinding ,Thread Rolling, Traub, 2nd Operation, Milling, Drilling, Tapping, Gun Drill, Cyl. Grinding Machine, SPM-Facing & Centering, Spline Rolling-30Ton, VMC-4th Axis.

WORKING AREA

- 10000 SQ. Feet of Shanta Son's Enterprises.

VISION, MISSION & GOALS

STRENGTH

- 60 Persons. (Include All Plants)
- Experienced Quality Assurance and Control staff familiar. Experienced Supervisors, and highly skilled Machine shop personnel.

VISION

To be the most trusted and innovative partner in precision machining for the automotive industry, recognized for our unwavering commitment to quality, efficiency, and customer satisfaction.

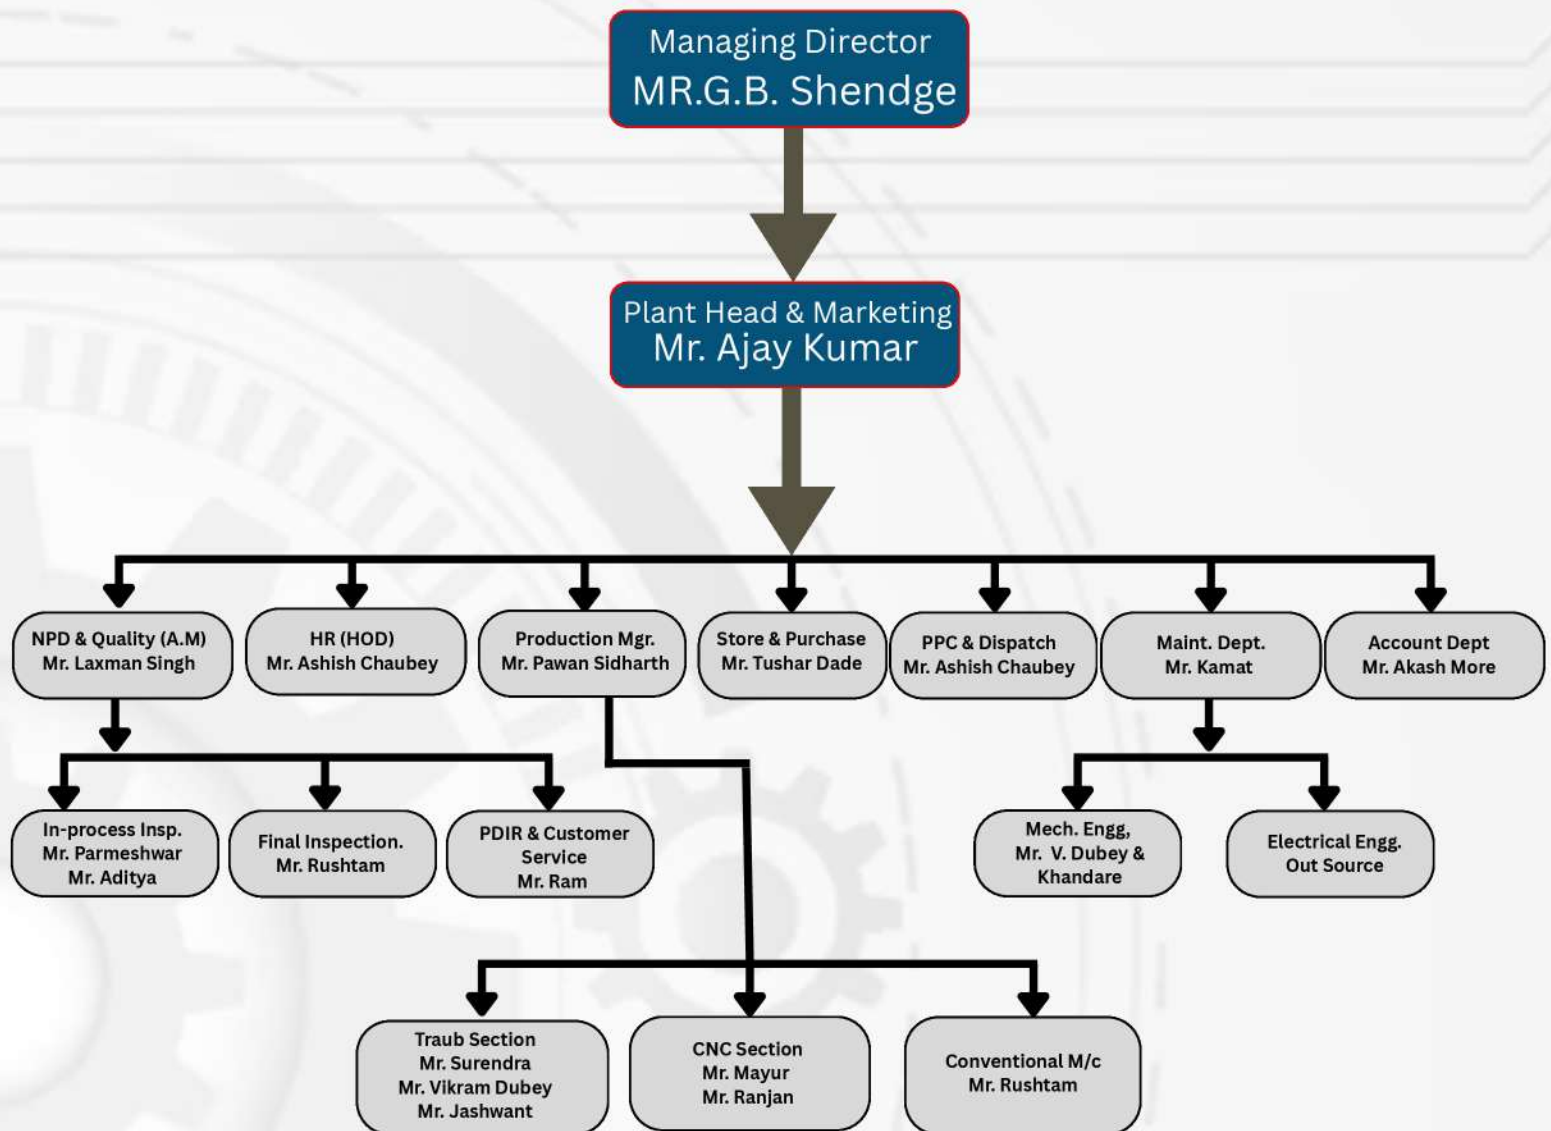

MISSION

Shanta Sons Enterprises is dedicated to providing high-quality, precision machined components to the Automotive, Agreeculture & Home appliances sector. We achieve this by leveraging advanced technology, fostering a skilled workforce, and continuously improving our processes to deliver reliable and cost-effective solutions that exceed client expectations.

GOALS

Shanta Sons Enterprises aims for operational excellence with on-time delivery and minimal defect rates, alongside achieving high customer satisfaction. They will drive growth through annual tech investments, client base expansion, and advanced employee training. Sustainability efforts include waste reduction and optimized energy consumption.
